LUBRICANT STORAGE & TRANSFER

**Xpel Oil Storage Containers
Essential best practice tools
for reliability programs**

Containers are fully sealable to prevent contaminants from entering oil, have spouts to eliminate need for funnels, and are color-coded to eliminate mistakes.

LE offers a full line of Xpel™ Oil Storage & Transfer Containers plus accessories.

Contact us or visit our website today to learn more about LE and how we can protect your assets with our X-brand solutions.
