

Heavy Duty Solvent Degreaser/Brake Cleaner (802)

VOC-Compliant Engine Degreaser Effectively Cleans Wide Range of Equipment

Heavy Duty Solvent Degreaser/Brake Cleaner (802) is a VOC-compliant, USDA C1 engine degreaser, available as an aerosol. It is highly effective in removing heavy greases, oil, adhesives, lubricants, tar, waxes, asphalt, resins, and other heavy materials. LE recommends this clear product for cleaning brakes, engines, electrical and electronic equipment, printing equipment and carburetors.

Beneficial Qualities

- Dries fast
- Leaves no residue
- Can be used on ferrous and nonferrous metals
- Can be used on many types of plastics

Typical Applications

- Brakes
- Carburetors
- Electrical and electronic equipment (excluding energized electrical contacts)
- Engines
- Printing equipment

Performance Requirements Met or Exceeded

- USDA C1
- VOC compliant
